Mr. Charles R. Hansen
Director of State Lands
State of Utah
105 State Capitol Building
Salt Lake City, Utah 84114

Dear Mr. Hansen:

Enclosed for your information is a copy of a letter from our attorney, Mike Spence, to the Utah Air Conservation Committee expressing Tosco's belief that EPA has erroneously designated the southern half of Uinta County as a non-attainment area for oxidants. If this designation prevails it would obviously preclude large scale oil shale development activities on the Sand Wash Leases.

Yours truly,

A handwritten signature in cursive script, appearing to read "R. Glenn Vawter".
